Catherine Linka was almost thrown out of boarding school for being “too verbal.” Fortunately, she learned to channel that outspokenness into writing. She is the author of the two book series, *A GIRL CALLED FEARLESS* and *A GIRL UNDONE*. Catherine has traveled to the Amazon, the Arctic circle, Iceland, and her favorite experience this year was watching orca in Antarctica at 3 AM. She doesn’t believe in fate, but she did fall in love with her husband on their first date when he laced up her boots after she broke her hand.
